dents participating. Four pipe organs on  
campus. A series of organ recitals. [http://  
www.converse.edu/Petrie/facilities.asp](http://www.converse.edu/Petrie/facilities.asp)

**Why should I learn about the organ?**

- It's a great hobby!
- It can help put me through college!
- Great careers as a church musician, performer, teacher, organ builder!
- Hours of enjoyment and social popularity!
- Help your church or synagogue!

**What will I do?**

- See how an organ works!
- Play the organ!
- Hear great performers!
- End the day with a mini-recital!
- Meet with professors, church musicians and organ students!

**What should I bring?**

- An intense curiosity to learn and have fun!
- Hard-sole shoes or tap shoes!
- Clean socks!
- Favorite piano sheet music!

**What else I should know?**

- Free sheet music and other materials to take home!
- A day of fabulous programs and music!
- Pizza and sodas for lunch!
- Your parents don't have to come!
- We will have adult help in each room!
